Oswestry Cat Nanny (Megan Brock)

T: 07 56 58 56 701

W: <http://oswestry.cat-nanny.uk>

Other (anything you think I should know – e.g. is your cat allowed in every room, what doors to keep open, what doors to keep shut, cat flap instructions, favourite hiding place etc etc) :

Household Info:

I can perform other light, household tasks to make it look like the house is occupied and ensure your home is welcoming on your return within the time frame (25 mins per visit) but it will reduce my time with your cat. Alternatively, you can request a one off longer visit to ensure standard visits are focused on your cat and additional time is allocated for household tasks/chores.

Curtains / Lighting I will open and close and blinds/curtains and turn on/off lights if you would like me to.	If so, please advise about what rooms to enter.
Cleaning Up After Your Cat If your cat soils outside of their litter tray I will clean affected hard floors with detergents (if required). NB. Soft furnishings and carpets will only be wiped without detergents (a clean, damp cloth) in case of damage.	Please provide instructions and/or information about cleaning products/equipment to use (location of brushes etc).
Plants / garden I will water pot plants and garden if required.	Please advise what plants, how much water etc
Additional cleaning / Bins Dusting / light dish washing (crockery, cutlery, dishes used for breakfast) / putting bins out for refuse collections etc	Please advise what you would like done and any associate info – e.g. recycling information / rubbish collection day
Post - what you would like me to do with your post – e.g. put aside / leave alone.
